November 8th Meeting

Our speaker for November is Larry Newman, Owner of Piedmont Environmental Services. His topic will be "Erosion and Sediment Control for the Landscape Professional." We hope to see you at this very informative meeting.

NOTE: A reminder regarding the r.s.v.p. procedure for meetings: if you have notified us that you can attend a meeting and find that you cannot make it, please let us know by Noon the day of the meeting so that we can update our dinner count with Lewis Ginter Botanical Garden. CVNLA has to pay the \$20.00 for those who have said they are coming when they don't show up. When this happens we would appreciate the reimbursement of your dinner cost. Thanks for your cooperation with this – last month we were really short with our dinner costs. We do not make any money on those dinners.
